CALL FOR ARTWORK FROM STUDENTS WITH IEPs to Design the Arizona 2008 Transition Conference Brochure Cover

TRANSFORMING VISIONS TO REALITIES

2008 Transition Conference
September 22 & 23, 2008

The 2008 Transition Conference Planning Committee is seeking artwork designed by students with IEPs for this year's transition conference brochure. Any student identified with a disability, between the ages of 14 through 22, and currently enrolled in an Arizona public education agency (PEA) or approved private school is eligible to submit an entry. The first place winning design will be used as the brochure cover. Other winning entries will be used throughout the conference brochure and all student entries will be acknowledged by the Department of Education. The theme "TRANSFORMING VISIONS TO REALITIES" is reflective of our intra and interagency collaborative efforts to improve post-secondary outcomes for youth and young adults with disabilities in the areas of employment, education, training and adult living.
